

The Chichester Singers

Covid Secure Rehearsals at St Paul's Church, Chichester

Arrangements for Singers

The choir will be divided into two groups: A singers whose surnames begin with A to L inclusive
B singers whose surnames begin with M to Z inclusive

Please do not arrive before 7.10 pm. The purpose of the entry timings below is to avoid unnecessary (social-distanced) queuing outside. Timings are approximate rather than a strict rule. If there is no queue when you arrive come straight in. There will be no registers but a committee member on the door will check you in and tell you which seat to go to. There will be stewards to help you find your seat but the intention is that the seating plan will remain the same each week. There is limited parking at St Paul's but plenty of space in the Northgate car park opposite.
